

Application to a Module Outside the Regular Course Offerings

- In case of multiple exams including VbP, please submit the registration for the entire module in the period 15.04.-30.04. / 15.10.-31.10. (including ALL associated coursework and assessments)
- Signature and stamp of the examiner are not required for modules from the Faculties GnG department.
- ZQS-Courses are courseworks (Studienleistungen) and must be registered within the corresponding deadline.
If you add a course description to this form, the signature and stamp of the ZQS are not required.
Please submit certificates directly to the Examination Office.
- Modules that span over several semesters, have to be registered in the semester in which the exam is taken.
- Modules with only one examination period (most other Faculties), must be registered in the 1st registration period.
